Development Secretary:

The members of the Co-operative Society at Hoskote presented an address to me this morning, in which they made a request that the Society may be helped with a loan of Rs.5,000/- from the Apex Bank at a low rate of interest to develop industrial activities. This Society, judging from the account of its working, is doing very good work and needs encouragement. I have asked the Registrar of Co-operative Societies to arrange for the loan applied for being obtained from the Apex Bank.
